

AWZ 9 HPS/PRO

MAIN FEATURES

- 9kg
- Heatpump
- 3-Dimensional Drying Technology
- Gentle Move
- Crease Care
- Woolmark Blue Certification
- Easy Cleaning filter
- Inverter Motor
- 15 Cycles, 8 Options

Compliant with EU Machinery Directive (2006/42/EC)

BULKY ITEMS EVENLY DRIED WITH THE 3-DIMENSIONAL DRYING TECHNOLOGY

The 3-Dimensional Drying Technology allows a **unique three-dimensional air distribution**, reaching every inch of the drum.

The hot air enters both from the holes in the back of the drum and the holes on the lifters, ensuring a more powerful heat distribution. From today, uniform drying of bulky items such as bed linen is guaranteed with no more wet zones.

TIME AND ENERGY EFFICIENCY THANKS TO THE SENSORS' CONTROL

Through 3 different sensors, the **sensors' control** monitors the **humidity and dryness level** of the load adapting the drying cycle automatically, guaranteeing optimal performance, with **time and energy optimization**.

A NEW DIMENSION OF FRESHNESS

Crease Care is the solution to keep the garments **fresh and soft** inside the drum **for up to 6 hours after the cycle ends**, avoiding the creation of bad smells and preventing from any folds, thanks to the ideal temperature condition kept inside of the drum for long, together with the delicate tumbling action. This technology allows consumers to unload the dryer whenever they need.

COMMERCIAL DRYER

beko
PROFESSIONAL

Extra long lifetime, designed and tested to last

This line has been designed and tested to guarantee high standards of quality, robustness and reliability.

Stronger components, more security in terms of flammability, a more performing heat pump filter and electronic are just some of the innovative and new elements that make these dryers designed to last longer than ever.

The 5000 working hours reached verify and prove the physical resistance of these components and the incredible strength of these machines.

Compliant with EU Machinery Directive (2006/42/EC)

Suitable for customers

Small to medium businesses, in HoReCa, Bars, Kiosks, Bakeries, Schools & Education, Cleaning & office management, Sport facilities, Hairdressers, Physio & Fitness, Bed & breakfast, camping, Markets & Shops, Petrol stations & Car services

| MAIN FEATURES | |
|---|-----------------|
| 12NC Code | 859991715100 |
| EAN Code | 8690842989506 |
| Loading Capacity (KG) | 9 KG |
| Drying Technology | Heat Pump |
| Type of Control Panel | LCD |
| Type of Timer | Electronic |
| Main Color of the Product | Silver |
| Drum Volume (L) | 120 L |
| Drum Material | Stainless Steel |
| Door Hinge | Right |
| Type of Motor | BPM |
| Noise Insulation | Yes |
| Number of Programs | 15 |
| Number of Options | 8 |
| TECHNICAL DATA | |
| Electrical Connection Rating (W) | 850 W |
| Voltage (V) | 220-240 V |
| Plug Type | Schuko |
| Current (A) | 10 |
| Condensation Efficiency | B |
| Energy Efficiency Class - NEW (2010/30/EU) | A ++ |
| Noise Level (dB(A) re 1 pW) | 64 |
| Average Drying Time cotton cupboard dry 50% moisture (1400rpm spinning) (min) | 211 min |
| Average Drying Time synthetics cupboard dry 50% moisture (1000rpm spin speed) (min) | 95 min |
| Energy Consumption kWh cotton cupboard dry 50% moisture (1400rpm spinning) | 2,07 kWh |
| Energy Consumption kWh synthetics cupboard dry 50% moisture (1000rpm spinning) | 0,73 kWh |
| WEIGHT & DIMENSIONS | |
| Net Weight (kg) | 44 kg |
| Gross Weight (kg) | 46,5 kg |
| Height of the Product (mm) | 849 |
| Width of the Product (mm) | 595 |
| Depth of the Product (mm) | 656 |
| Height of the Packed Product (mm) | 872 |
| Width of the Packed Product (mm) | 655 |
| Depth of the Packed Product (mm) | 693 |
| WARRANTY | |
| Commercial Warranty | 2 Years |
